

**REMARKS**

Claims 23, 25-31, and 33-38 remain in this application. Claims 24 and 32 are cancelled without prejudice.

According to the current Office action, claims 31-38 are rejected under 35 U.S.C. 101, and claims 24, 26, 32 and 34 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Hence, Applicant has amended claim 31 to overcome the 35 U.S.C. 101 rejections and further incorporate all of the limitations of the allowable subject claim 32, and thereby asserts that the amended claim 31 is now in condition of allowance. Similarly, Applicant has amended claim 23 to incorporate all of the limitations of the allowable subject claim 24 and rewritten the allowable subject claims 26 and 34 in independent form including all of their respective precedent limitations, and thereby asserts that the amended claims 23, 26 and 34 are also in condition of allowance. Since the other dependent claims depend upon claims 23 and 31, respectively, if claims 23 and 31 are found to be allowable, so too should the dependent claims.

Therefore, all pending claims are submitted to be in condition of allowance. The Examiner is encouraged to telephone the undersigned if there are informalities that can be resolved in a phone conversation, or if the Examiner has any ideas or suggestions for further advancing the prosecution of this case.
